

Overzicht batterij compatibiliteit van Autarco hybride omvormers

In dit overzicht kun je zien welke batterijmerken en batterijtypes compatibel zijn met onze hybride omvormers. Batterijen kunnen afzonderlijk worden aangeschaft en enkel compatibele batterijen worden op deze lijst geplaatst. Als je een niet-compatibele batterij installeert, vervalt de garantie op de omvormer. Autarco is niet verantwoordelijk voor de kwaliteit van de batterij of de door de batterijleverancier geleverde service. Aanbevolen batterijen kunnen door Autarco worden geleverd.

Aanbevolen batterijen

Aanbevolen batterijen zijn voorzien van de hoogste kwaliteit componenten. Alleen merken met hoge veiligheids- en duurzaamheidsnormen worden geselecteerd. Aanbevolen batterijen kunnen rechtstreeks via Autarco worden aangeschaft en worden aangeduid met een (**) symbool.
